NB. This is not an acceptance letter but merely serves as proof that your application has been received by the school.

1. The Department of Education has stipulated the following criteria for admissions and schools are bound by these regulations:

1.1 Proximity of primary schools and proximity of workplace of parent/s or home of parent/s:

It is recommended that learners whose parents live and work closest to the schools are prioritized. It is practical that a primary school that is situated closest to a particular secondary school is to be the feeder primary school of that secondary school. In other words feeder areas as defined in this letter.

1.2 Siblings already attending at the school. A sibling is defined as a learner who has a parent/s who is also the parent/s of another learner at the school, or if the learners reside in same household as another learner already attending at the school. Legal reasons and evidence must be supplied in this case e.g. Proof of Guardianship, Orphan, Foster care etc.

1.3 A school may admit a fixed number of learners who may otherwise not be granted permission to the school, because these learners are boarders at the hostel attached to the school. Schools with boarding facilities are prohibited from admitting learners to boarding facilities without first granting learners admission to the school.

BREBNER PRIMARY SCHOOL FEES 2024 (study carefully)

If your child is accepted, you will be expected to pay a confirmation fee of R3780.00. This is to ensure that your child's space is guaranteed. The reason for this is that parents often accept the space at Brebner Primary School only to place the child in another school.

All new learners must pay a stationery fee of R800. BPS prints and copies a lot of notes and this fee contributes to covering that expense. These fees must be paid by 31 October 2023 and cover the school fees for the first term in 2024. Total of R4 580.00

1.1. The proposed school fees are R1 260 per student per month for 10 months i.e. R12 600-00 per year. Should the pupil for any reason leave the school during the course of the year discount will not be reimbursed and the outstanding amount will be calculated at R1 260 per month. This will then be multiplied by the number of months the pupil attended school and subtracted from the amount paid. One months-paid notice will be mandatory. If you have paid your school fees in full by the end of March, you will receive one month's fees as a discount per child (R1260) or per biological sibling.

1.2 This confirmation fee will be allocated to term 1's school fees.

2. HOSTEL FEES ARE:

2.1 R10 900-00 per child per term (R43 600 per year) payable on arrival or within the first fourteen (14) days of each new term. If your application is successful you need to pay a deposit of R5 000 this deposit is NON-REFUNDABLE . If you pay monthly then it is R4 360 per month over 10 months.
